Grant Information Sharing Authorization

I, _____ agree to provide a picture of my pet to the Spay-Neuter Coalition of NM (SNCNM) so they can use it for marketing and/or fundraising purposes in exchange for \$5.00 off of my co-pay.

I understand that it is completely optional to allow SNCNM to use a picture, name and age of my pet for the purpose of advertising and/or fundraising. If I do allow my pet's picture and information to be used, I will receive \$5.00 off of my co-pay. My name, address and other personal information will never be put on any post or marketing/fundraising material. I understand that once I receive the discounted co-pay that I can only rescind permission with a written request and a PayPal transfer or check or money order for the \$5.00. The purpose of marketing will be to let other people know about the program and the fundraising will only be used to raise money for the spay and neuter program. The Spay-Neuter Coalition of NM is an all volunteer 501c3 non-profit, so all funds go directly to the program.

If you do not have internet access, you can contact us for a phone number so you can text a photo. Photos must be in electronic format in order to receive the discount.

I agree to allow SNCNM to use my pet's photo, name and age for program advertising/fundraising purposes in exchange for a \$5.00 discount on my co-pay.
